

Covid-19 Health Agreement

2021

By signing below, you are acknowledging the following CRIA health regulations:

- I understand that it is my responsibility to notify the school should someone in our household come into close contact with anyone tested for and diagnosed with Covid-19 in a 14-day period. I also understand that in this event my child must stay home from school for the required quarantine period.
- I understand no household member should come onto the CRIA campus if they have a fever or feel ill.
- I understand that I must take my children's temperatures each morning before school. Students must be symptom free with a temperature below 37.5C without the use of fever reducing medication, for at least 48 hours prior to attending school.
- I will prioritize collecting my child from the isolation health office if I am notified that he/she is feeling ill.
- I will follow all government guidelines regarding mask wearing, social distancing, minimizing social interactions with those outside our 'social bubble', handwashing, etc.
- I will support the school's efforts to educate children in the importance of proper hygiene, mask-wearing and distancing.

Children's Names:

Parent Name (printed)
