

Welcome to a New Culinary Experience at CRIA

Dear CRIA Family,

With great excitement and enthusiasm, we introduce ourselves as the new team in charge of the school cafeteria! Starting **August 13**, we will begin the new school year with a commitment to offering fresh, balanced, and flavorful meals prepared with love for our students.

Who are we?

We are a team of Peruvian culinary professionals with extensive experience in the food industry. We've brought on a seasoned Peruvian chef with over 30 years of experience working in five-star hotels and international buffets. He will lead our kitchen with a focus on exceptional flavor and mindful nutrition.

In addition to this exciting new project, three of us are also partners at TAMAKI, a successful restaurant in Catalinas. As a welcome gift, we're offering a 10% discount to the CRIA community at TAMAKI throughout this month!

What we offer

- Complete and balanced lunches every day: main dishes, fresh salads, and nutritious desserts.
- Healthy snacks for mid-morning or afternoon: fruits, yogurts, gourmet sandwiches, pizza, and more.
- All prepared under the highest standards of quality, safety, and freshness.

Our Commitment

- ✓ Energy and nutrition in every lunch
- ✓ Practical and healthy snack options
- ✓ Carefully selected fresh ingredients
- ✓ A menu with global flavors, blending Peruvian, local, and international techniques
